Shri S. N. Sahgal, Coal Superintendent, c/o Chief Mining Engineer, Railway Board, 1, Council House Street, Calcutta—For the Opposite Party.

**AWARD**

This is a complaint under Section 33A of the Industrial Disputes Act, 1947.

2. The complainants allege that they were working in the Bhadwa incline in the Serampore Colliery (Giridih) when they were discharged without the permission of this Tribunal, though Reference No. 6 of 1952 was pending between the opposite party and their workmen; and that though the Government had decided to give retrenchment relief to the retrenched workers inclusive of the complainants, the opposite party had not paid any amount to them as retrenchment relief. It was further alleged that though vacancies occurred in other pits, the complainants had not been absorbed. It was therefore prayed that such orders as may be deemed fit and proper may be passed in the present case.

3. The opposite party denied the allegations made in the application but stated that it was willing to pay the retrenchment relief to the complainants at the same rates as were granted by this Tribunal in Application No. 61 of 1953.

4. It is an admitted fact that the complainants were working in the Bhadwa incline in Serampore Colliery which belongs to the State Railways. It appears that the working of this incline was closed, with the result that all workmen working there were discharged. The complainants were among the persons who were so discharged. Dr. Gupta who appeared on their behalf fairly conceded before me that he could not ask for reinstatement of the complainants, because he could not complain about their discharge, as due to the closure of the mine, there was no work for them. He, however, urged that they should have been given the benefits of gratuity, notice pay, etc. and work should also be given to them if new work was started at some other place.

5. A similar application (being Application No. 61 of 1953) was made by some of the discharged workmen before me. That application was opposed by the opposite party on various grounds; but I held that the discharged workmen were entitled to notice pay, gratuity etc. and passed an award accordingly on 16th July 1953. In the present case, the opposite party has filed a written statement agreeing to pay notice pay, gratuity etc. to the complainants at the same rates as were ordered in the above application.

6. Dr. Gupta made a further request that if and when new work was started, these discharged workmen should be given preference. Mr. Sahgal, who was present in court on behalf of the opposite party, stated that the management would have no objection to taking up the complainants in preference to others, provided the complainants agreed to accept the new jobs at the new rates as may be given to other workmen. Dr. Gupta on behalf of the complainants stated that the applicants would agree to take the new jobs at the new rates.

7. In the result, I pass the following award:—

The complainants should be paid notice pay, gratuity etc. as mentioned in para. 3 of the letter from the Government of India, Ministry of Production, No. C.2-14 (5)/52, dated 26th December 1952, addressed to the Coal Commissioner, Calcutta. This should be done within one month from the date this award becomes enforceable. If and when the opposite party has occasion to engage new men for work (either due to retirement or due to opening of new works etc.), preference should be given to the complainants according to their seniority, provided they agree to accept the new jobs at the new rates then offered by the management.

**S.R.O. 2070.**—In pursuance of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Dhanbad, in the matter of an application under section 33A of the said Act from Shri Teklall Chamar and others, employees of the Serampore Colliery (Giridih).

**CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL AT DHANBAD**  
**APPLICATION No. 297 OF 1953**

(arising out of Reference No. 6 of 1952)

In the matter of an application u/s 33A of Industrial Disputes Act 1947.

**PRESENT:**

Shri L. P. Dave, B.A., LL.B., Chairman.

**PARTIES:**

Teklall Chamar & Others, c/o Dr. Prakriti Bhusan Gupta, P.O. Giridih,  
Dist. Hazaribagh—*Complainants.*

Vs.

The Chief Mining Engineer, Railway Board, Government of India, 1, Council  
House Street, Calcutta—*Opposite Party.*

**APPEARANCES:**

Dr. Prakriti Bhusan Gupta, General Secretary, Hazaribagh District Coal  
Mazdoor Union, Giridih, Dist. Hazaribagh—*For the Complainants.*

Shri S. N. Sahgal, Coal Superintendent, c/o Chief Mining Engineer, Railway  
Board, 1, Council House Street, Calcutta—*For the Opposite Party.*

**AWARD**

This is a complaint under Section 33A of the Industrial Disputes Act.

2. The complainants allege that they were working in the Bhadwa incline in the Serampore Colliery (Giridih) till 31st March, 1953, when they were discharged without the permission of this Tribunal, though Reference No. 6 of 1952 was pending between the opposite party and their workmen; and that though the Government had decided to give retrenchment relief to the retrenched workers inclusive of the complainants, the opposite party had not paid any amount to them as retrenchment relief. It was further alleged that though vacancies

occurred in other pits, the complainants had not been absorbed. It was therefore prayed that such orders as may be deemed fit and proper may be passed in the present case.

3. The opposite party denied the allegations made in the application but stated that it was willing to pay the retrenchment relief to the complainants at the same rates as were granted by this Tribunal in Application No. 61 of 1953.

4. It is an admitted fact that the complainants were working in the Bhadwa incline in Serampore Colliery which belongs to the State Railways. It appears that the working of this incline was closed, with the result that all workmen working there were discharged. The complainants were among the persons who were so discharged. Dr. Gupta who appeared on their behalf fairly conceded before me that he could not ask for reinstatement of the complainants, because he could not complain about their discharge, as due to the closure of the mine, there was no work for them. He, however, urged that they should have been given the benefits of gratuity, notice pay, etc. and work should also be given to them if new work was started at some other place.

5. A similar application (being Application No. 61 of 1953) was made by some of the discharged workmen before me. That application was opposed by the opposite party on various grounds; but I held that the discharged workmen were entitled to notice pay, gratuity etc. and passed an award accordingly on 16th July, 1953. In the present case, the opposite party has filed a written statement agreeing to pay notice pay, gratuity etc. to the complainants at the same rates as were ordered in the above application.

6. Dr. Gupta made a further request that if and when new work was started, these discharged workmen should be given preference. Mr. Sahgal, who was present in court on behalf of the opposite party, stated that the management would have no objection to taking up the complainants in preference to others, provided the complainants agreed to accept the new jobs at the new rates as may be given to other workmen. Dr. Gupta on behalf of the complainants stated that the applicants would agree to take the new jobs at the new rates.

7. In the result, I pass the following award:—

The complainants should be paid notice pay, gratuity etc. as mentioned in part 3 of the letter from the Government of India, Ministry of Production, No. C.2-14 (5)/52, dated 26th December 1952, addressed to the Coal Commissioner, Calcutta. This should be done within one month from the date this award becomes enforceable. If and when the opposite party has occasion to engage new men for work (either due to retirement or due to opening of new works etc.), preference should be given to the complainants according to their seniority, provided they agree to accept the new jobs at the new rates then offered by the management.

Shri S. S. Mukherjee, Pleader, Dhanbad, and

Shri P. K. Majumdar, P.A. to Superintendent, East India Coal Co. Ltd., P.O. Jealgora, District Manbhumi, Bihar—*For the Opposite party.*

**AWARD**

This is a complaint under section 33 A of the Industrial Disputes Act, 1947.

2. This application was made by 60 workmen working in Pit No. 7 of South Bulliaree/Kendwadih Colliery belonging to the opposite party. They alleged that the opposite party had served notices upon them refusing work, wage etc. to them and further that the notices in language, spirit and effect amounted to clear contravention of section 33 of the Industrial Disputes Act, 1947 as they acted as above without obtaining the express permission of this Tribunal in spite of Reference No. 6 of 1952 (to which the opposite party and their workmen are parties) being pending before this Tribunal. They prayed that they should be granted full wages from the 10th May 1953 till the date of resumption of work.

3. The opposite party denied that the notice issued by it had in any way altered the conditions of the service of the complainants or that it came within the provisions of section 33 of Industrial Disputes Act. It contended that due to the completion of de-pillaring operation in their pit No. 7, the complainants and others became surplus and the opposite party therefore decided to retrench them by giving them a week's notice. It therefore urged that the complaint should be dismissed.

4. In the meanwhile, the management had also filed an application under section 33 of Industrial Disputes Act (Application No. 93 of 1953) before this Tribunal requesting for permission to discharge 52 of their workmen (all of whom are among the present 60 complainants). Both the applications were fixed for hearing together on the 30th September 1953. At that time the management gave an application stating that the matter was amicably settled between the parties and they did not want to proceed with their application. Accordingly application No. 93 of 1953 was disposed of. So far as the present application is concerned, no one appeared on behalf of the complainants on the date of hearing. But a letter was sent by Mr. Kanti Mehta, who was authorised to represent the complainants, stating that the matter had been amicably settled between the parties and hence the complainants did not wish to proceed with the present complaint and wanted to withdraw the same.

5. In view of this letter, nothing remains to be done regarding the present complaint which is dismissed. I pass my award accordingly.

### CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL AT DHANBAD

#### APPLICATION No. 338 OF 1953

(ARISING OUT OF REFERENCE No. 6 OF 1952.)

In the matter of an application u/s 33-A of Industrial Disputes Act, 1947.

**PRESENT:**

Shri L. P. Dave, B.A., LL.B.—Chairman.

**PARTIES:**

Shri Kusheshwar Jha, Clerk, Victory Colliery, P.O. Dhansar (Manbhumi)—Complainant.

*Versus*

Shri Madanlal Agarwalla, Managing Director, United Mining Co. Ltd., Victory Colliery, P. O. Dhansar (Manbhumi)—*Opposite Party.*

## APPEARANCES:

Complainant in person.

None appeared for the opposite party.

## AWARD

This is a complaint under section 33-A of the Industrial Disputes Act, 1947.

2. The complainant alleges that during the pendency of Reference No. 6 of 1952 to which the opposite party and their workmen are also parties, the opposite party terminated the services of the complainant from the 13th September 1953 without any valid ground and without obtaining the express permission of this Tribunal. He therefore prayed that he should be ordered to be reinstated.

3. On notice being served upon the opposite party, it stated that the matter had been settled with the complainant and that the complainant had been reinstated. The opposite party also annexed thereto a letter from the complainant stating that he was joining his duties.

4. The matter was then fixed for hearing. In the meanwhile, the complainant wrote a letter to the Tribunal that he had been reinstated and that he did not therefore want to proceed with the application. At the hearing also, he appeared personally and made a similar statement. As he has been reinstated, he wanted to withdraw the application. The opposite party did not appear before the Tribunal, on the date of hearing.

5. In view of the fact that the complainant has already been reinstated and in view of the further fact that he does not wish to proceed with the present complaint no orders are now necessary thereon. It is dismissed.
